RE: Seminole County CSA Partnership Grant

To whom it may concern,

My name is Megan Almasi, Community Relations Manager for Orlando Health, and I am writing to confirm Orlando Health's partnership with Hearts, Hands and Hope.

We initiated our formal partnership at the start of 2022 and through a program support sponsorship, we will help to fulfill Hearts, Hands and Hope's three phase solution to alleviate hunger in Seminole County. By providing opportunities for employment with day-one benefits for clients as well as volunteer support and financial assistance to the organization, we are honored to collaborate with Hearts, Hands and Hope on their mission to feed hungry children.

Together, we believe that this partnership is the solution to the problem of food insecurity.

Sincerely,

Megan Almasi
